

RADIANCE

Modern Stone's Radiance adds an immediate and radiant shine to polished natural stone. Its quick drying formula leaves a residue free, shiny surface. Use periodically to maintain the glorious look of natural stone. Great for counter tops, backsplashes and shower walls. Available in an easy to use trigger bottle applicator.

USES

- » Marble
- » Polished Natural Stone
- » Granite
- » Limestone
- » Travertine
- » Quartzite

APPLICATION

1. Always first test in an inconspicuous area to determine effectiveness and performance.
2. Spray Radiance on stone surface. Avoid over spray.
3. Lightly wipe entire surface with a dry terry cloth towel to spread polish evenly.
4. Allow to dry to a white haze.
5. Buff off haze with a separate dry terry cloth towel until a high sheen appears.

Handling & Storage:

Close container after each use. Store in original container only. Keep in a dry, well-ventilated area. Avoid freezing or long-term high temperature storage. Do not store above 100° F (°38 C). Do not mix with other chemicals. DO NOT THIN OR DILUTE.

Caution:

Avoid contact with eyes. Immediately flush eyes with water for 15 minutes. Avoid prolonged contact with skin. If skin contact occurs, wash with soap and water. If ingested, do not induce vomiting. Call poison control center. Seek medical attention immediately.
