**Application of Terms and Conditions:** These Terms and Conditions shall apply to all transactions in goods by Modern Stone Technologies, hereby referenced as MST, to any Customer and shall apply in place of, and prevail over, any terms or conditions contained or referred to in the Customer's order or in correspondence or elsewhere or implied by trade custom practice or course of dealing unless specifically agreed to in writing by MST. All new trade accounts must fill out the Credit Application form (see form).

**Quotation and Acceptance:** Any quotation by MST does not constitute an offer, and MST reserves the right to withdraw or revise at any time prior to MST's acceptance of the Customer's order. MST's acceptance of the Customer's order shall be effective only where such acceptance is made by written or electronic confirmation duly executed by an authorized representative of MST.

**Prices:** MST may withdraw any discount from its quoted prices and/or revise prices due to cost increases, including but not limited to costs of goods, materials, carriage, labor, or overhead, imposition or increase of duties, taxes, or other levies, and variation in exchange rate with 30 days written notice. In such event, the Customer may, without penalty, cancel any affected order by delivering written notice to MST prior to shipment. Prices are subject to immediate change by MST upon the Customer rescheduling or reconfiguring of orders. In such event, the foregoing cancellation right does not apply. MST reserves the right to modify terms prior to shipment, require payment in advance, or delay or cancel any shipment by reason of the Customer's credit worthiness.

**Payment:** Unless customer is an established account customer with MST, payment is due before shipment of product. Established account customer see Account Terms & Conditions for payment conditions.

**Shipping:** Delivery dates mentioned in any quotation, acknowledgement of order, or elsewhere are approximate only and no of contractual effect. All products are shipped at the Customer's risk, and MST's responsibility for damage to products ceases when the product are delivered to the carrier, to the Customer, or to the Customer's agent, whichever occurs earlier. **Even Exchanges:** A return authorization from MST is required prior to return of any product to MST from customer for even exchange. Returns must be standard stocking items (only) and in saleable condition and less than 9 months old from date of invoice. Reseller will pre-pay any shipping charges to send authorized product back to MST, and MST will pay any shipping charges for exchanged goods back to Reseller. All goods will be inspected by MST to verify condition prior to shipment of new goods.

**Returned Checks:** Customers will be assessed a service charge of \$25.00 for each check returned to MST's bank. MST reserves the right to re-deposit the check and institute a credit hold until the check clears. If the check does not clear upon re-deposit, MST will immediately enact a credit hold and charge the customer's account an amount equal to 2% of the face amount of the check. Payment will be required via wire transfer or cashier's check within 72 hours, or the account will be placed for collection.

**Order Acknowledgements:** MST will confirm quantity and price with an order acknowledgement. The lack of an acknowledgement does not imply acceptance of the customer's price as entered on the order. All invoicing of product will be according to MST's most current published price list.

**Invoice Adjustments:** Requests for invoice adjustments due to billing errors, quantity discrepancies, and/or packing problems must be received in writing within 90 days of invoice date. Credit will not be issued on requests received more than 90 days beyond the date of invoice.
